

SUPPLEMENTAL REBATE BID

SCHEDULE A

NDC Number	Drug Name, Strength and Dosage form	Ingredient Reimbursement ¹ /per unit	CMS basic rebate ² and CPI when appropriate	Supplemental Rebate/per unit	Fixed net cost to State³/ per unit

¹Ingredient Reimbursement is based on the AWP minus 13% for single-source drugs and AWP minus 27% for multi-source drugs. Kansas Medicaid uses the AWP as published by First DataBank on the first day of a calendar quarter in which the rebate applies for the calculation of ingredient reimbursement.

²CMS Rebate as calculated and provided to State by CMS on a calendar quarter for the quarter in which the rebate applies.

³ Fixed Net Cost to state is for the term of this contract and does not vary when changes occur to AWP; CMS rebate; CPI; Supplemental Rebate.
